This appendix serves as an explanatory statement, as required by Rule 10.06(b) of the Listing Rules, to provide requisite information to shareholders for their consideration of the Buy-Back Mandate and also constitutes the memorandum as required under Section 239(2) of the Companies Ordinance.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to buy back their shares on the Stock Exchange or on any other stock exchange on which the shares of the companies may be listed and recognised by the Securities and Futures Commission and the Stock Exchange for this purpose subject to certain restrictions, the most important of which are summarized below:

- (a) The shares proposed to be purchased by the company are fully-paid up.
- (b) The company has previously sent to its shareholders an explanatory statement complying with the Listing Rules.
- (c) The shareholders of the company have given a specific approval or a general mandate to the directors of the company to make such purchase, by way of an ordinary resolution which complies with the Listing Rules and which has been passed at a general meeting of the company duly convened and held.

The company must report the outcome of the general meeting called to consider the proposed purchases to the Stock Exchange immediately following the meeting.

2. SHARE CAPITAL

As at the Latest Practicable Date, the share capital of the Company comprised 277,232,883 Shares in issue, all of which are fully paid up.

Subject to the passing of the proposed ordinary resolution and on the basis that no further Shares are issued or bought back prior to the AGM, the Company would be allowed under the Buy-Back Mandate to buy back a maximum of 27,723,288 Shares which are fully paid up, representing 10% of the total number of Shares in issue as at the Latest Practicable Date and date of the passing of the proposed ordinary resolution.

3. REASONS FOR BUY BACKS

The Directors believe that it is in the best interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to buy back Shares in the market. Such buy-backs may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and its shareholders.

4. FUNDING OF BUY-BACKS

It is proposed that buy-back of Shares under the Buy-Back Mandate in these circumstances would be financed from available cash flow or working capital facilities of the Company and its subsidiaries.

In buy back Shares, the Company may only apply funds legally available for such purpose in accordance with its Articles of Association and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share buy-back may only be paid from the distributable profits of the company or from the proceeds of a new issue of shares made for the purpose.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31 March 2021) in the event that the proposed buy-back of Shares were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Buy-Back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Highest Price HK\$	Lowest Price HK\$
2020		
July	_*	_*
August	_*	_*
September	4.250	4.250
October	6.300	3.480

* There was no trading of shares during the month.

6. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make buy-backs pursuant to the proposed ordinary resolution in accordance with the Listing Rules and the applicable laws of Hong Kong.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates, have any present intention to sell any Shares to the Company under the Buy-Back Mandate if such Buy-Back Mandate is approved by the Shareholders.

No other core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Buy-Back Mandate is approved by the Shareholders.

If as a result of a share buy-back, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert, depending on the level of increase of the shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Chan Hoi Sow, Mr. Chan Yan Tin, Andrew, Ms. Chan Yan Wai, Emily and Ms. Chan Yan Mei, Mary-ellen together with their respective close associates (as defined in the Listing Rules) (the "said Persons") were beneficially interested in 205,454,534 Shares, representing approximately 74.11% of the total number of Shares in issue. In the event that the Directors exercised the Buy-Back Mandate in full, then (if the present shareholdings otherwise remained the same) the interests of the said Persons in the Company would be increased to approximately 82.34% of the total number of Shares in issue and the said Persons would not be required to make a mandatory offer under Rules 26 and 32 of the Takeovers Code by reason of such increase. The Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any buy-backs made under the Buy-Back Mandate. The Directors have no present intention to exercise the Buy-Back Mandate to the extent that the number of Shares held by the public would be reduced to less than 25% of the total number of Shares in issue.

7. SHARE BUY-BACK MADE BY THE COMPANY

The Company had not bought back any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the date of this circular.

8. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of providing information with regard to the Company.

The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable enquiries, that to the best of their knowledge and belief, there are no other facts not contained in this circular the omission of which would make any statement contained herein misleading.
